skandia investment management

Royal Skandia makes use of the skills of its sister company Skandia Investment Management Ltd (SIML) to select and monitor investment managers within the Skandia Investment Management funds. The funds are managed by Royal Skandia and are separate to the OEIC funds offered by SIML, although they may be invested wholly or partially through these funds.

self select

All the funds in the self select section are only available as unit linked life assurance funds via Royal Skandia Life Assurance Limited products. The performance of the Skandia fund will not mirror the performance of the underlying fund because of the Skandia Life fund charges, taxation adjustments (if appropriate) and the Royal Skandia investment process.

Source for all performance information and Crown Ratings: Financial Express Limited, bid to bid with gross income reinvested back into the fund.  
 Source for performance for funds in **BOLD**: Royal Skandia, bid to bid in Sterling, with gross income reinvested back into the fund.  
 Note: Multi-priced funds do not have Crown Ratings.  
 Investors should be aware that unit prices and the income from units may fall as well as rise and that past performance is not a guide to the future.  
 Where a fund invests in securities designated in a different currency to the fund or where an underlying fund is denominated in a different currency, investments may rise and fall purely as a result of exchange rate fluctuations.  
 Please note the volatility of individual funds may be significantly higher or lower than the volatility of the sectors into which the funds are classified.  
 Sector classifications are proprietary to Financial Express Limited.  
 The performance figures shown are inclusive of all external fund management fees and Royal Skandia's Annual Management Charge, however, they exclude product charges.  
 The currency that features at the beginning of the Royal Skandia fund names indicates the currency that the funds are denominated in (the base currency). For example, the Royal Skandia **GBP** Balanced Portfolio is denominated in **Sterling**.  
 Royal Skandia's Multi-currency pricing system allows Royal Skandia to take the price of a fund and, by applying an exchange rate to it, produce equivalent prices in other currencies. For example, the Royal Skandia **GBP** UK Equity Blend has been repriced in Euro, USD and HKD and are listed with the relevant currency shown after the fund name in brackets.  
**Royal Skandia Portfolio Bond products must invest directly into the base currency funds which for the purpose of clarity have been marked with a tick (✓).**  
 Funds marked with " " are not authorised by the Hong Kong Securities and Futures Commission (SFC), therefore these funds cannot be promoted to Hong Kong investors.  
 § Royal Skandia funds closed to new Personal Portfolio Bond business.  
 The Forsyth-OBSR ratings relate to the underlying Unit Trust/OEIC; the Citywire ratings relate to the fund manager individual managing the underlying Unit Trust/OEIC.  
 S OBSR rating suspended.  
 For more information regarding the statistics shown in **inform** please see the fund news page.
